

'Arry and Jim reunited? You bet...

■ **FOOTBALL:** Harry Redknapp and Jim Smith will be reunited in Portsmouth on Thursday when they open a new betting shop.

Supporters are invited to meet the pair at the opening of The Betting Room at 19, Albert Road, Southsea, at 2.30pm.

The event has been switched from tomorrow when it was

originally planned.

It will be the first time Redknapp and Smith have made a public appearance in the city together since Pompey's 4-1 victory over Southampton in April 2005 at Fratton Park, when the Blues' former management duo were working for the St Mary's outfit.
